grandchildren. Yes, I am retired. My husband died in 2005. I have worked as a medical assistant at the hospital for 27 years. My favorite activities are traveling, playing pool, swimming and reading. My favorite websites for downloading e-books are bit-ark, open-library, Google Play and Barnes & Noble. I have a masters in math from LSU and a doctorate in library science from U.S. I see you use an e-reader to download e-books. I love the look of these e-readers. I used to have a iBook for downloading

books. I found that my iBook was slow and the books downloaded became corrupted. I use to have a nook. I really like the look of the nook and I can read it in the car and the house. I am not sure about the Kindle. They are too big and too heavy to use in the car. I hope you share your e-book on the web and/or by e-mail as well
